

Freestanding Portable Privacy Screen (Fabric)

Option to mix 'n' match fabric & polycarbonate panels

Product Features

Multiple Configurations

Designed to be placed in a zig-zag, curved or L-shape, our patented 360 degree articulating hinges allow full rotation of each panel to allow easy manipulation.

Sound Dampening

Engineered acoustic panels manufactured from a honeycomb cell core, fibreglass sheets on both sides and specialist acoustic fabric for superior acoustic performance.

Tackable Surface

Fully tackable surface accept pins and Velcro for posting artwork or signage allowing you to create your own mobile gallery or display board.

Customisable

Mix and match fabric colours and finishes (fabric and polycarbonate) to create your own unique product. Company logos and artwork can also be printed directly onto panels.

Easy Storage

Lightweight and easy to move and store. Folds down to 85cm x 9cm.

Safety First

Our patented no-pinch hinges reduce the possibility of fingers getting pinched.

Fully Assembled

Ships fully assembled. Simply unbox and place in position.

Manufactured in Australia

Manufactured and assembled in our Sydney factory ensuring the highest quality.

Product Gallery

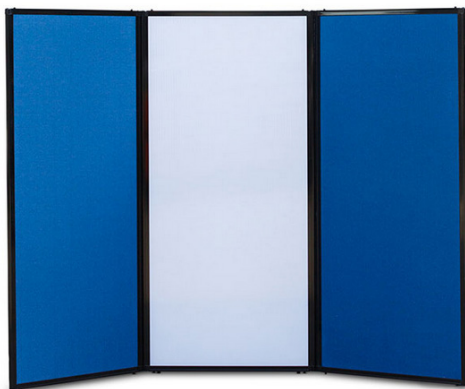

Creating a temporary private consultation booth within a pharmacy (charcoal finish)

Multiple heights available including custom options

Maximum height of 2.24m provides outstanding privacy

Mix 'n' match fabric and polycarbonate finishes (blue fabric/white polycarbonate)

Creating a defined waiting area within an office reception

Product Description

- A simple 3-panel freestanding privacy screen which can be positioned straight or in any non-linear shape such as zig-zag, curved and L-shape.
- Max length available when in non-linear shape is approx 2.54m L.
- Three heights available – 1.78m / 1.97m / 2.24m.
- The freestanding privacy screen meets the floor, so no gaps at bottom.
- Fibreglass panel construction offers enhanced, superior acoustics.
- The frame of the freestanding privacy screen is constructed of extruded lightweight aluminum profiles joined with cast aluminum corners joints for light weight strength and durability.
- Hang objects such as artwork, photos, whiteboards etc. over the top of the portable room divider to make mobile galleries, information walls or classrooms

If you prefer a polycarbonate finish instead, check out our Freestanding Portable Privacy Screen (Polycarbonate)

If you prefer a 3-panel folding privacy screen on wheels, check out our Folding Mobile Room Divider Afford-A-Wall (Fabric) or Folding Mobile Room Divider Afford-A-Wall (Polycarbonate)

If you need a longer room divider check out our 360 Acoustic Portable Room Divider (Fabric) or 360 Acoustic Portable Room Divider (Polycarbonate)
